

Invocation and Poem for Kane County Board Meeting, March 14, 2023

We pause today as our hearts fill with gratitude and confidence when we consider the tasks ahead, knowing that our energy and purpose will manage present needs and carry Kane County into a fine future.

How blessed we are to be charged with this precious gift of service!

May we give one another respect and attentiveness as we work together for the common good.

May we be responsive, listening to our citizens with open minds as their vision informs our decisions.

May we always remember how fortunate we are to be public servants.

If you want variety
Kane County is the place to be
There's industry and farms galore
And so much more
Thriving cities and quaint towns
So many places to explore
Parks and forest preserves by the score.
You can find your own little piece of heaven that's for sure
The Kane County story
The Fox River its crowning glory
Busy bustling places and open spaces
It's no trial to find a home
to suit your lifestyle
From comfortable condos to sweet farmettes
Vast Victorians
To brick bungalows
You can bet
Diversity reigns
Kane County claims
Homes large and small
Townhouses, apartments
We've got it all
Housing developments old and new
More than a few
Choices for you
So come to Kane County to work or to play
to make it your home or just spend the day
Come to Kane County to visit or live
Kane County has oh so much to give
